Deck Kids Party Room

Bayside's premium kids party function space. We take the stress away from having a party. From start to finish. With personalised invitation templates to send to your guests, bespoke party entertainment carefully curated by Little Party Faces, yummy food, lolly bags and personalised menu's. You and your guests will love our beautifully renovated new venue.

We are proud to partner with Little Party Faces children's entertainment in providing the best kids entertainment available. Little Party Faces is led by Susie Kazda, a Bayside local, who created the business 8 years ago with just herself, a pair of fairy wings and one big dream – to make children smile by igniting their imaginations. Since then, Little Party Faces has helped put smiles on thousands of little faces for birthday parties and prestigious corporate clients around Melbourne.

We love Susie's meticulous attention to detail, which has made Little Party Faces the success it is today, and made her a favourite amongst Bayside families!

FUN FACT: Susie first attended The Deck 7 years ago providing complimentary face painting and children's entertainment for our Mothers Morning Markets and Christmas events. What an achievement it is to come full circle to partner together to create one of Bayside's most exciting kids entertaining spaces. Susie is highly capable in the children's entertainment space, and it's safe to say when the topic is kids – Susie knows them!
